

VIETNAM AFFAIRS
O/DCI

1 May 1967

TO: DCI

FROM: GAC, JR.

SUBJECT: Order of Battle Concept Note

REMARKS: The attached was sent over to Komer on Friday night (28 April) in response to his request for a private note he could read on the plane to orient his thinking. A more formal version will be included among our inputs to your committee exercise.

Komer and I talked on the phone this morning. He thanked me for this OB Note and said he expected to take off this evening (1 May). He said he would be calling on us, formally and informally, for assistance. I was polite but made no commitments.

Good —
But let's try to simplify
these suggestions, tighten
the language, and
make to get agreement
from the military.

Order of Battle Concept for Vietnam

Dear Bob:

Per your request we are taking a serious look at the conceptual problems involved in order of battle analysis. Attached is an initial effort which represents [redacted] thoughts and mine (he did the basic drafting). We will keep on this and keep you appropriately advised.
